ARTICLES.

PAGE

A. M. Scott, steel twin-screw river towboat *192
Adriatic, new White Star liner..... *257
Alcohol, new process for using denatured. 351
Alexandra, Hydrographic Survey steamer. *135
Alexandra, new English royal yacht..... *380
Almirante Grau, Peruvian cruiser..... *146
Anchor and boat cranes.....*460, 493
Argonaut, accident to the. Fisher..... *511
Armor and armament, recent developments 14
Armored cruiser Indomitable, British..... *200
Atua, New Zealand coasting steamer..... 117
Battleship Katori *1, 284
Minnesota, trial of *100
Vermont, trial of *87
Battleships, bids for new..... 334
Démocratie and Justice..... *457
new British 367
République and Patrie *301
size of, as a function of their speed.
Normand *417, 429
Blohm & Voss shipyard..... *306
Blümlisalp, new Swiss lake steamer..... *442
Boat and anchor cranes.....*460, 493
Boats of Labrador, Eskimo and Indian... *238
Boiler explosion on the Valdivia..... *273
Boiler shop, family gathering in..... 440
Boilers, cleaning marine. Dinger..... *405
Borgestad, new type of ocean freight steamer *379
Brazilian gunboats *113
British armored cruiser Indomitable..... *200
Brown & Company, John, shipyard..... *234
Car ferry lines of American railroads..... *136
Cargo boat, first English motor. Perkins. *99
Cargo steamer, evolution of the modern. Thearle 195 *218
Cassandra, new Canadian liner. Taylor... 380
Ceara, Brazilian steamer *404
Charles-Roux, first French turbine..... *490
City of Cleveland, loss of the steamer..... *281
City of London, new Indian liner. Taylor *345
City of Savannah, the new steamship..... *473
Clermont, Fulton's famous steamboat..... *423
Coal consumption 495
Coal tar paint 260
Coaling at sea, sea anchor for..... 18
Cold storage on board ship....6, 52, 96, 142, 179
Colliers Everett and Malden..... *452
Columbian and Mexican, new freight steamers *213
Coronel Bolognesi, Peruvian cruiser..... *146
Corsican, Allan Line steamship..... *424
Cranes for shipbuilding berths. Piaggio.. 240
notes on boat and anchor..... *460
Cruisers, new Peruvian..... *146
Cruising launch Britannia III., English.. *243
Cunard steamship Lusitania,
*202, 230, 382, *389, 428, 474
Dakota, loss of steamship.....162, *273
Delaware, steamship. Linch.....*468, 497
Démocratie, trials of French battleship.... *457
Denatured alcohol, new process for using. 351
Deutschland, damage by collision..... *281
Diesel engines for propelling ships..... *368
Dimensions, proportions and forms of ships *110
Doris, 60-foot motor passenger boat..... *445
Doxford & Sons' shipyard..... *148
Dragonfly, English torpedo launch..... *5
Dredge, sea-going bucket. Gradenwitz.... *465
for India. Sandpiper *145
Dredger for alluvial tin..... *501
Dry-dock, electric pumping plant at Hong Kong *63
railway type of. Crandall..... *152
Dry-docks, two timber, and their pumping plant. Palen and Smith.....18, *59

PAGE

Electric boat lighting, steam turbines for. *293
safeguards at sea. Atkinson..... 303
Empress, turbine steamer..... *448
Engineering Societies' Building..... *199
Engines, explosive, for naval purposes..17, *55
non-reversible for propelling ships..... *368
English submarines *229
torpedo boat destroyer Mohawk..... *458
torpedo boat destroyers..... *226
Eskimo and Indian boats of Labrador.... *238
Everett, steam collier *452
Family gathering in a boiler shop..... 440
Fearless, wreck of steamship..... *271
Fedor Solodoff, sea-going bucket dredge.. *465
Ferryboat, fire-proof. Dubosque.....18, *39
Hempstead, Long Island Railroad.... *313
Ferry lines carrying cars..... *136
Fido, steamship, launch of..... *202
Fire at sea, causes and prevention of..241, 266
Fire-proof excursion steamer, construction 11
ferryboat. Dubosque 18, *39
Floating dry-dock, torpedo boat, at Kiel Imperial shipyards. Gradenwitz..... *118
towing resistance of. Cole..... *133
Formulæ for determining the resistance of ships, approximate. Johns *261
Freight steamer Borgestad..... *379
Satilla *92
Tuscan *157
Freight steamers Delaware and Pawnee.. *468
Mexican and Columbian..... *213
French battleships Démocratie and Justice *457
République and Patrie..... *301
French submarines *229
torpedo boat destroyer Claymore..... *226
torpedo boats, recent types of..... *222
French turbine steamer, the first..... *490
Fuel tests, comparative 347
Graving dock pumping plant at Hong Kong, electric *63
Gray & Company, William, shipyard..... *114
Germaniawerft shipyard *307
German shipyards. Everett *286, 306
Governor Cobb, turbine steamer..... *47
Guadeloupe, French Liner. Peltier..... *373
Gunboats for the Brazilian government... *113
Gun power, influence of machinery upon, in modern warship *282, 309
Hamburg-American steamer Kronprinzessin Cecilie. Guenther *481
Harland & Wolff shipbuilding plant..... *75
Hempstead, Long Island ferryboat..... *313
Henriette and Arlette II., French motor cruisers *163
Highland Fling, salvage of the..... *277
Hindoo, Wilson Liner. Fisher..... *132
Howaldtswerke shipyard *288
Hydraulic propelled steam lifeboat..... *516
Ice-breaking steamer Lady Grey..... *107
Incidents and accidents on a long tow.... 355
Indicator cards, combined. Linch..*348, 383, 397
Indomitable, British armored cruiser..... *200
Influence of machinery on the gun power of modern warships. McKechnie....*282, 309
Italian torpedo boat destroyers..... *225
Jamestown Exposition naval review....*233, 248
Japanese battleship Katori.....*1, 284
battleship Satsuma, launching of..... 28
cable steamer Ogasawara Maru..... *319
Jebba, wreck of the steamship..... *279
Justice, trials of French battleship..... *457
Kaiser Wilhelm der Grosse in collision.... *275
Kalika, light-draft, single-screw passenger steamer *356
Katori, Japanese battleship *1, 284
Kronprinzessin Cecilie, Hamburg-Am..... *481
Kronprinzessin Cecilie, N. German Lloyd. *414
Lady Grey, ice-breaking and surveying steamer *107

PAGE

La Rance, French cargo steamer.....*371, 434
Launch for India, tunnel screw English... *441
Launching of British armored cruiser Indomitable *200
Japanese battleship Satsuma..... 28
steamship Lusitania.....*202, 230, 382, *389
turbine steamship Yale..... *36
Wilson liner Hindoo..... *132
Wilson liner Oslo..... *4
Lebu, Chilian steamship..... *403
Life boat, hydraulic propelled..... *516
Light vessels, single-screw, steam..*375, 400, 434
Lusitania, Cunard steamer.....382, *389, 428, 474
points of interest in connection with the design, building and launching of. Luke.....*202, 230
Portuguese steamer *129
Machias, notes on raising the gunboat.... *269
Machinery, influence of, on gun power of modern warship *282, 309
Machinery, vacuum in connection with marine *237
Magyarorszag, Hungarian steamship..... *449
Malden, steam collier *452
Maryland, steamer. Jenkins & Woodruff.. *435
Marylebone, triple-screw turbine steamer.. *265
Massachusetts, New England Steamship Company, fast run 334
Mercantile fleet, Glasgow's success due.. 423
Mercedes W. N., high-speed motor boat.. *335
Mexican and Columbian, new freight steamers *213
Mine laying steamer Wetherill..... *502
Minnesota, trial performance of the U. S. battleship. Gregory *100
Model basin gleanings. Taylor..... 13
Model towing stations in Europe. Peabody 25
Modern fleet, a. Barry..... 14
Mohawk, English destroyer..... *458
Motor boat Britannia III..... *243
Doris, passenger-carrying *445
Dragon Fly, torpedo..... *4
for cargo, the first English..... *99
48-foot *185
Motor boat, Italian high-speed..... *79
Mercedes W. N..... *335
propellers 446
Togo, simulating sea serpent..... *332
28-foot *184
Motor boats. Durand 29
for naval purposes. Chester..... 17
for patrol purposes *117
French *163, 518
long-distance ocean race for..... 77
Motor launch Spider, light draft..... *408
torpedo launches *227
Navigation by celestial observation. Tasker *412, 454, 508
Naval powers, sea strength of..... 36
review in Hampton Roads.....*233, 248
science, notes on. Liddell..... *329
New York, performance of Hudson River Day Line steamboat. Denton.....12, *23, 38
North German Lloyd liner Kronprinzessin Cecilie *414
Northland, auxiliary coasting schooner.... *352
Norwich, the tow boat..... *272
Number 16, U. S. revenue cutter..... *65
Ogasawara Maru, cable steamer. S. Oi. *319
Orinoco in collision with Kaiser Wilhelm der Grosse *275
Oslo, launch of Wilson liner. Fisher..... *4
Oyapock, Brazilian steamer..... *459
Patents, selected marine,
*45, 86, 127, 169, 211, 254, 299, 343, 386, 433, 479, 525
Patrol motor boats for Santo Domingo... *117
Patrie, French battleship.. ..... *301
Pawnee, steamship. Linch.....*468, 497

PAGE

Perou, French liner. Peltier..... *373
Peruvian cruisers..... *146
President Lincoln, Hamburg-American liner.....264, *327
Propeller experiments of 1905, comparison of Durand's with Curtis and Hewins. Stevens.....14, *27
shafting, torque of: some investigations and results. Gibson..... *316
struts. Simpson..... *289
Propellers, model basin tests..... 13
motor boat. McDermott..... 446
Propulsion of ships by means of non-reversible engines.....368, 383
Pumping plant, electric, of dry-dock at Hong Kong..... *63
Railway type of dry-dock..... *152
Refrigeration on board ship...6, 52, 96, 142, 179
Repairs to a dynamo engine. Newman... *194
Repairs to the hulls of steel ships..... 518
République, French battleship..... *301
Resistance of ships, formulæ for determining.....*261
to towing of floating dry-dock..... *133
(wind) of ships, experiments on..... *426
Revenue cutter No. 16..... *65
Rhein, new Swiss lake steamer..... *442
Rio Yguazu, Argentine river steamer..... *445
Roanoke, the new steamship..... *305
Royal yacht Alexandra, new..... *280
S. S. Brown, the river steamer. Brown... *171
St. David, Irish Channel turbine steamer. 9
Salem, American scout cruiser..... *410
Sandpiper, dredger for India..... *145
Sandy Hook, repairs on the fast steamer.. *276
Satilla, steel freight steamer..... *92
Satsuma, Japanese battleship, launched.. 28
Schooner Northland, auxiliary coasting.. *352
Scotch shipbuilding, summary of, in 1906.. 89
Scottish Monarch, new steamship..... *332
Scout cruiser Salem, American..... *410
Screw propellers, why not do away with?. 363
Sea anchor for coaling at sea. Miller..... 18
Sea Belle, shelter deck cargo steamer..... *429
Sea valve, method of closing large..... *247
Shafting, torque of propeller..... *316
Shipbuilding, census of..... *121
in Great Britain in 1906..... *78
in 1906-1907, American..... 338
in the United States.....28, *78, 428
returns, Lloyd's....*40, 109, 120, 161, 230, 425
Scotch, summary of, in 1906..... 89
Shipbuilding plant, Harland & Wolff..... *75
William Doxford & Sons, Ltd..... *148
John Brown & Company..... *234
of Swan, Hunter & Wigham Richardson..... *181
of William Gray & Company, Ltd..... *114
Werf Gusto, of A. F. Smulders in Holland. Perkins..... *364
Ship construction, half a century of..... 108
model towing stations, personal impressions of. Peabody..... 25
Ships, dimensions, proportions and forms. *110
wanted, safer. Kirk..... 156
Shipyards, glimpses into some German. Everett.....*286, 306
Slipway, railway type of..... *152
Society Naval Architects and Marine Engineers, 14th annual meeting of.....10, 38
Speed of battleships as function of size, 417, *429
Spider, light draft motor launch..... *408
Steamboat New York, paddle wheel, performance of.....12, *23, 38
Steamboating on the Mississippi..... *186
Steamer Alexandra for Canadian Hydrographic Survey..... *135
Atua, New Zealand coasting..... 117
Borgestad, new type of ocean freight.. *379
construction of fireproof excursion.... 11
emigrant, Italo-American..... 242
evolution of the modern cargo.....195, *218
ice-breaking, Lady Grey..... *107
Kalika, light-draft passenger..... *356
La Rance, French cargo..... *371
large oil carrying..... *245
Lusitania. Portuguese..... *129

PAGE

Steamer Maryland..... *435
Marylebone, turbine..... *265
Ogasawara Maru, Japanese cable..... *310
Oyapock, Brazilian..... *459
Rio Yguazu, Argentine river..... *445
S. S. Brown..... *171
Satilla, steel freight..... *92
Sea Belle, shelter deck cargo..... *439
Tuscan, American freight..... *157
Steamers, London Thames..... 9
new, Swiss lake..... *442
turbine, Empress and Victoria..... *448
Steam navigation, the centenary of..... *422
Steamship Adriatic, White Star liner..... *257
Bavarian, damage to the..... *515
Cassandra, for Canadian trade..... 380
Ceara..... *404
City of London, new Indian liner..... *345
Corsican, Allan Line..... *424
Dakota, loss of.....162, *273
Fido, launch of..... *202
Hindoo, Wilson line..... *132
Kronprinzessin Cecilie, Hamburg-Am. *481
Kronprinzessin Cecilie, North G. Lloyd *414
Lebu..... *403
Lusitania, Cunard, *202, 230, 382, *389, 428, 474
Magyarorszag, Hungarian..... *449
Oslo. Fisher..... *4
Roanoke, new, British..... *305
Scottish Monarch..... *332
Thames, lengthening of..... *190
Steamships Delaware and Pawnee.....*463, 497
Everett and Malden..... *452
Guadeloupe and Perou..... *373
in the American-Foreign trade..... 292
Mexican and Columbian..... *213
Steam trawler, latest type of French..... *109
Steam turbine, development and present status of. Speakman..... 33
Steam turbines for electric boat lighting... *293
Steam yachts, American. Smith..... 131
Strength and stiffness of wood..... 463
Submarine boat Lake..... *230
Submarines, development of. Spear..... 16
English..... *229
French..... *229
Subsidies in the United States and elsewhere..... 161
Suevic, partial salvage of the.....210, *278, *510
Superheated steam in marine practice..... *512
Superheaters, Pielock..... *371
Swan, Hunter & Wigham Richardson shipyard..... *181
Swiss lake steamers..... *442
Szterenyi, Hungarian steamship..... *449
Tank, experimental, at University of Michigan. Sadler..... 13
Tank steamer for Gulf Refining Co..... *244
Thames, lengthening of steamship..... *190
Togo, a motor-propelled sea serpent..... *332
Torpedo boat destroyer Claymore, French. *226
Lawrence, a peculiar accident..... *517
Mohawk, English..... *458
Torpedo boat destroyers, new English.... *226
new Italian..... *225
Torpedo boat docks at Kiel Imperial shipyards..... *118
Torpedo boats, recent types of French.... *222
Torpedo craft, new Turkish. Attilio..... *223
Torpedo launch Dragon Fly..... *4
Torpedo launches, notes on motor. Brady. *227
Tow boat A. M. Scott, twin screw river... *192
Towing machine, automatic steam..... *324
Trawler, steam, latest type of French..... *109
Trial of battleship Minnesota..... *100
Vermont..... *87
Trials of battleships Démocratie and Justice..... *457
République and Patrie..... *301
Tubing a tramp in the Tropics..... 328
Turbine steamer Governor Cobb..... *47
Charles-Roux..... *490
Duchess of Argyll..... *519
Marylebone..... *265
St. David, for Irish Channel..... 9
Yale, launching of..... *36
Turbine steamers Empress and Victoria... *448

PAGE

Turkish torpedo craft..... *223
Turret steamer, the builders of the..... *148
Tuscan, new American freighter. Jenkins. *157
Universal rule, the effect of in racing yachts. Erismann..... 17
Vacuum in connection with marine machinery, notes on. Dinger..... *237
Valdivia, boiler explosion on..... *273
Vermont, trial of the battleship..... *87
Vessel of the future. Liddell..... 449
Victoria, turbine steamer..... *448
Volturno, Italian emigrant steamer..... 242
Vulcan shipyard, Stettin..... *286
Warship construction in 1906..... 162
design, notes on development of..... 14
Watertight doors; safer ships..... 156
Werf Gusto, shipyard of A. F. Smulders.. *364
White Star liner Adriatic..... *257
Wind resistance of ships, experiments on.. *426
Wood, strength and stiffness of..... 463
Yacht Alexandra, new English royal..... *380
Yachts, American steam. Smith..... 131
racing, effect of universal rule on..... 17
Yale, turbine steamship of Metropolitan Steamship Company, launch of..... *36
Zuest, motor boat, Italian high speed..... *79

in United States 161
French 316
Technical Publicity Association..... 37
Torpedo boat plates..... 156
Turbine steamship plant, figures for..... 409
Vickers, Sons & Maxim..... 99
Webb's Academy, annual report of..... 156
Wreck statistics for 1906..... 509

QUERIES AND ANSWERS.

Boiler, accumulation of mud..... 478
heating surface 210
Scotch marine, computation of working pressure 299
water tube, material for pipes and drum 127
Brake horsepower test of gasoline engine. *253
Centrifugal pump, horsepower in suction dredge 210
Compound condensing engine, run single.. 44
engine, size of high-pressure cylinder.. 169
Crank journal brasses worn. 44
pin pressure 342
Curves of revolutions and speed, etc..... *254
Eccentric rods, opened and closed..... 44
Expansion joints, clearance of bolts..... 210
Funnels of ocean liners, height..... 44
Inspection of steamships in American ports 210
Model experiments, point of application of force 299
Motor boat model experiments..... 299
powering 253
universal coupling for 479
Naphtha engine, computation of H.P..... 253
Power of motor boat..... 253
Pump, work in forcing and lifting water.. 210
Pumps in multiple expansion engines..... 433
Receiver, size in compound engine..... 44
Schooner, dimensions and auxiliary engine power 44
Stern wheel steamer, area of floats..... 126
Triple-expansion engine design..... 478
Universal coupling for motor boats..... 479
Valve event adjustments..... 43
travel in compound engine..... 44
Valves, direct and indirect..... 44
taking steam at middle and at ends.... 44

TECHNICAL PUBLICATIONS.
